

The Friends of Monte Rio 2022 Annual Report

The past year was a time for cautious but enthusiastic participation of our core programming- including our annual events- The Spring Festival, RioFest and Dia de Muertos. Monthly Game Night has attracted new participants and a newly formed Film Committee kicked off a documentary film series and is planning for more to come. The most exciting development of 2022 was the increase in volunteer participation and individual leadership. Program sponsorship provided by the Monte Rio Fire Foundation, Monte Rio Chamber and Sonoma County, District 5.
